

Sacramento Men's Senior Baseball League 2020 Covid-19 Plan

To All Park & Rec Managers:

In response to an email from some of you, I want to respond to everyone the plan forward regarding our usage of your parks & fields.

1. All players are required to sign the new Waiver releasing all liability from MSBL and usage of parks and fields. This waiver is new and from New York to protect all leagues.
2. Each Manager will be required to carry a team hand sanitizer. At our own park SMSBL Army Depot Fields there are hand sanitizer dispensers installed in each dugout.
3. There is no sharing of personal equipment.
4. There shall be a conscience effort to maintain a safe distance in dugouts. All are different size so many players will sit outside the dugout. Recommend no more than 6 players in dugouts, if smaller dugouts then 4 players.
5. Post Game sportsmanship meeting will not be required between teams.
6. Umpires will make every effort to maintain a safe distance and will also carry personal hand sanitizer with their gear.

All SMSBL players are adults over the age of 18. They will be briefed by their Manager of all requirements set by the league and any further request by your district.

Respectfully,

Alan Van Ness

SMSBL President
