

## **Jim Hill**

2007 Inductee

During his 13 years in the SMSBL, Jimmy has put up some great stats as a player and manager. He has been actively involved with recruiting new players and serving on the HOF committee for 4 years. His teams have won 2 league championships, and his World Series teams have logged 1 championship in the 50+ division, 4 father/son championships, and 1 championship in the 58+ division. Five of those six championships have been in the National Division. Nobody will dispute that Jimmy loves "the game".
